

COMMUNITY WORKSHOP

Pedestrian/Bicyclist Bridge Project: Hillsdale Blvd/US-101

Tuesday, August 19, 2014

San Mateo Police Department

Registration: 5:30pm – 6:00pm

200 Franklin Pkwy, San Mateo, CA 94403

Workshop: 6:00pm – 7:30pm

The Department of Public Works will be hosting a workshop about the Hillsdale/US101 Pedestrian/Bicyclist Bridge Project. This project will provide an alternative route over US101 at Hillsdale Blvd for the exclusive use of bicyclists and pedestrians and minimize conflict with vehicles.

This workshop is open to all. We encourage you to attend our Community Workshop where we will discuss alternative bridge connections, landing treatment options at each end of the bridge, and connectivity to the surrounding bicycle network.

Questions? Contact **Kevin Buchanan** at (650) 522-7334 or kbuchanan@cityofsanmateo.org
¿Preguntas? Para información en español, haga el favor de llamar al (650) 522-7300.

In compliance with the Americans with Disabilities Act, those requiring accommodation for this meeting should notify the Public Works 24 hours prior to the meeting at (650) 522-7300.
